New or continued use of certain medications or agents increases the possibility of a reaction. Certain products can make the skin more sensitive. Thin, sensitive skin is more vulnerable to lifting and sensitivity during waxing. Individuals do react differently to medications and sometimes waxing can be done if proper test patching is completed. We encourage test patching an area, if you are concerned, prior to waxing. Please inform your cerologist if you have begun taking any new medications since your last visit.

Any other illness/condition a medical professional is presently treating you for? Yes

PRECAUTIONS AND CONSIDERATION: READ AND INTIAL

- ☐ Sunburned, irritated or areas with open skin cannot be waxed.
- ☐ Waxing cannot be performed if you have been in a tanning booth the same day.
- ☐ If you have a history of Herpes Simplex, waxing can cause an outbreak.
- ☐ Waxing cannot be performed if you have had laser skin resurfacing within the past year.
- ☐ Waxing cannot be administered if you had a physician administered peel within the past two years.
- ☐ No sun/tanning booths for 2 days following a waxing treatment. Extra precaution should be taken if using tanning accelerators.
- ☐ Wait 2-3 days to wax before/after tanning with accelerators.
- ☐ No hot tubs or baths for 24 hours following a body waxing treatment.
- ☐ No abrasives for 24 hours following a waxing treatment.
- ☐ No deodorants for 24 hours following an underarm waxing treatment.
- ☐ Women may experience extra sensitivity to waxing up to a week prior to the beginning of their menses.

CONSENT

I hereby request and grant permission to Waxing the City to administer waxing services and I voluntarily agree to be treated by a licensed esthetician. I confirm to the best of my knowledge that the information I have provided is accurate and complete, and I have received general information about the service I am seeking. I have not withheld information that may be relevant to the services or the results thereof. I am aware that there are often inherent risks associated with waxing and tinting procedures, and the services I am about to receive could have unfavorable and uncomfortable results, including but not limited to: allergic reaction, irritation, burning, redness, scarring, soreness, etc. By signing below, I freely assume these risks and I agree that I will not hold the Waxing the City salon or its owners or any of its employees responsible should there be any unfavorable outcome or result. I will inform Waxing the City of any complications or concerns I may have as soon as they occur, and any changes to the information in this form.

I understand I should refrain from tanning and/or direct sun exposure within 24-48 hours of waxing. I also understand that I should not have Micro-dermabrasion or "peels" 3 days pre- or post- waxing. I have read, understand, and agree to the above provisions.

Parent or Guardian Consent (Must be completed for clients Under the Age of 18):

I authorized Waxing the City estheticians to perform waxing treatments and other services on 03-20-2018 ("Minor"). This authorization is ongoing until written notification from me that the authorization is revoked or modified. This authorization includes all services offered by Waxing the City, except as follows: parent limitation [note any limitations on consent]. I confirm to the best of my knowledge that the information provided in this form by Minor is accurate and complete.
