Cancellation Policy

We kindly ask that any cancellations or changes are made 24 hours prior to your appointment. A notice of less than 24 hours impacts our opportunity to serve other clients.

We understand "life happens" and you may miss an appointment without notice. However, if you miss more than one appointment , we reserve the right to charge a fee of up to 50% of the cost of the scheduled services for a late cancellation and 100% for a "No Show".

We require a Credit Card on file for all appointments

I understand and agree to this policy,
